

*I am a broken mirror
Shattered pieces of my own reflection
Desperate for light
I need so much to feel whole
Each broken piece reflecting the light differently*

*I am a broken mirror
Shattered pieces of my soul
Desperate for darkness
I need so much to be invisible
Each broken piece reflecting nothing but pain*

*I am a broken mirror
Shattered pieces of the universe
Desperate for approval
I need so much to feel complete
Each broken piece reflecting my perfect flaws*

I am a broken mirror
